Sir:

PETITION TO ACCEPT PHOTOGRAPHS AS  
DRAWINGS UNDER 37 C.F.R. § 1.84(b)

Three sets of black and white photographs are submitted as drawings in this patent application. These photographs are marked and identified as Figure 11 as described in the accompanying patent specification.

These photographs are mounted on bristol board. This Petition is accompanied by the fee set forth in 37 C.F.R. § 1.17(h).

Photographs are necessary to fully appreciate the result of the claimed process in this case which is incapable of being accurately or adequately depicted by India ink drawings. The characteristic appearance of a tiny microdrop containing a fluorescing material is illuminated to

show a diffusion zone. This frozen and adhered microdrop is stated in the specification to be about 300 micrometers in diameter.

Petitioner requests approval for use of these photographs in the above-identified application. A check for the petition fee in the amount of \$130.00 is enclosed. Please use our Deposit Account 12-1871 for any deficiency or to credit any overpayment.

Respectfully submitted,

Harry J. Watson
